Declaration on Regulation (EU) No. 2019/1021 of the European Parliament and of the Council of June 20, 2019 on persistent organic pollutants. (POP Regulation) published on June 25, 2019 in EU Official Journal L 169/45.

Ladies and Gentlemen

You only purchase non-chemical products from us (transformers, converters, transformers throttles) from those under normal and reasonably foreseeable conditions of use no chemical substance can be released.

We hereby inform you that, according to current knowledge, there are no components in our products persistent organic pollutants are contained.

Our products do not need to be listed as they are considered articles and not chemical preparations. (<https://eur-lex.europa.eu/legal-content/en/TXT/PDF/?uri=CELEX:02019R1021-20230828&from=EN>)

Please refer to the published ECHA list as of 18 November, 2025 for the status of the chemicals/substances we consider. (<https://echa.europa.eu/list-of-substances-subject-to-pops-regulation>)

You can view the list of substances suggested as POPs from 05 January, 2026 using the link below. (<https://echa.europa.eu/list-of-substances-proposed-as-pops>)

Best regards

HAHN GmbH & Co. KG
