Declaration on Regulation (EU) No. 2019/1021 of the European Parliament and of the Council of June 20, 2019 on persistent organic pollutants. (POP Regulation) published on June 25, 2019 in EU Official Journal L 169/45.

Dear Ladies and Gentlemen,

you obtain from us exclusively non-chemical products (transformers, converters, chokes), from those, under normal and wisely predictable use terms, no chemical material can be released.

We hereby inform you that, according to current knowledge, there are no components in our products persistent organic pollutants are contained.

Our products do not need to be listed as they are considered articles and not chemical preparations.
